Dear Sir/Madam,

At the outset, we would like to thank you for giving us the opportunity to introduce ourselves to your reputed organisation. I hope this would give you some insight about us and our operations.

Gentech Healthcare, started its journey with its inception in the year 2004 and has today evolved into a fully integrated, healthcare group, marking its presence in India.

Gentech Healthcare is proud to possess various product registrations with major healthcare companies and Government institutions throughout India.

Our journey started as a Pharmaceutical marketing company and we developed our network of distributors across northern, eastern and central India and have been expanding our presence across the country ever since.

The group started its state of the art, manufacturing facility in the year 2018, located conveniently at Rai Industrial Area, Sonepat, Haryana. The plant has obtained **W.H.O GMP (Good manufacturing Practices)** certification from Food and Drug Authority.

Our manufacturing facilities include Blister, Foil, Alu Alu packing, Automatic filling machines for external preparations (*ointments, creams, lotions, antiseptic solutions, sanitizer and surgical spirits*), Capsule filling packing, along with host of other pharmaceutical machineries.

The group is lead by a team of skilled industry experts represented by Mr. Ashish Arora, Mr. Sanjay Arora and Mr. Ajay Arora, who have experience in the pharmaceutical markets of more than 25 years. While Sales and marketing is headed by Mr. Ashish Arora, the Administration / HR and Finance is headed by Mr. Ajay Arora and Manufacturing and Procurement is headed by Mr. Sanjay Arora.

Gentech Healthcare continues to spread its wings in expansion in the domestic as well as in the international markets with a vision be among the top leading Indian HealthCare products manufacturing and distribution company.
